Sir:

PETITION PURSUANT TO 37 CFR 1.137 (b)
TO REVIVE ABANDONED APPLICATION

Petition is hereby made to revive the above-identified, unintentionally abandoned patent application. The application is believed to have been abandoned for failure to have timely paid the issue fee due on 21 July 2005. While the Applicant has not received a Notice of Abandonment, the Applicant is aware that the Applicant's Deposit account has not been debited for the full amount of the issue fee.

By authorization dated and submitted on 20 July 2005, the undersigned authorized payment of the Issue and Publication fees from the Applicant's Deposit Account No. 50-2032. However, review of the deposit account indicates that insufficient funds were in the account on

July 26, 2005, the date upon which the Patent Office attempted to debit the account in payment of the required fees.

The undersigned avers that the non-payment was unintentional.

Enclosed herewith are copies of PTO Form PTOL85 and transmittal letter authorizing payment of the Issue Fees and all fees required pursuant to this Petition.

Respectfully submitted,

Dated: August 17, 2005
